

Focus on Forage

Optimizing forage production in Wisconsin

Focus on Forage is a FREE, 4-part webinar series highlighting research-based information and farmer strategies to optimize forage yield, quality, and profitability in Wisconsin. Webinar speakers will include forage industry experts, UW-Madison Specialists, and Extension Educators.

Pre-registration is required. A Zoom link will be emailed to registrants.
CCA CEUs will be available.

Wednesdays
12:30 to 2:00 pm
